逆襲の赤いん

This story picks up where my last book,
"Sayaka returned from the Other Side as a Magical Weapon"
left off, and is a continuation from that story.
Please bear that in mind.

Cu-I'm
Ah!
Ah!
Ahh!
Mmm
Mm!
No!
Ah!
Ah!

Haa
Haa
Ha
Ha
Th... this is it. Today I'll...
Ha
Ha
do it for sure!
Eh!
JUMP!
uu
wah!
Eh!
Kyou ...
Kyou-ko...
Let me pre-pare my heart first ...!
Um ...
Ah...
?
fwoo

You're blowing way too hard!
Grr...

Fff...

D- don't laugh at me! Wha...!
Hah.....
Seeing you all flustered is just too cute♡
Sorry, sorry.
Don't be nervous, alright?
You can...
do whatever you want to me... Kyouko...♡
'kay?

H- hey, Sayaka, let's just call in "off duty" for today. I'm sure Mami or Homura will deal with it...
.....
We better go take care of them ...
Hm...
Demons?! Talk about bad timing...!

Mgh...!
Sa...
Sa-yaka...
Sor—
Don't apologies. For a second I thought the same thing.
We can't let what's important to us be protected by others, we have to take care of it ourselves... right?
But... we have to go.
...Yeah...
.....
Okay!
Squeeze
Now... let's go!

Hyah!!
ドッ
Tch
Finish it!!
Kyou-ko!
……!
I can't catch up!
Damn!
I re-acted too slow...!

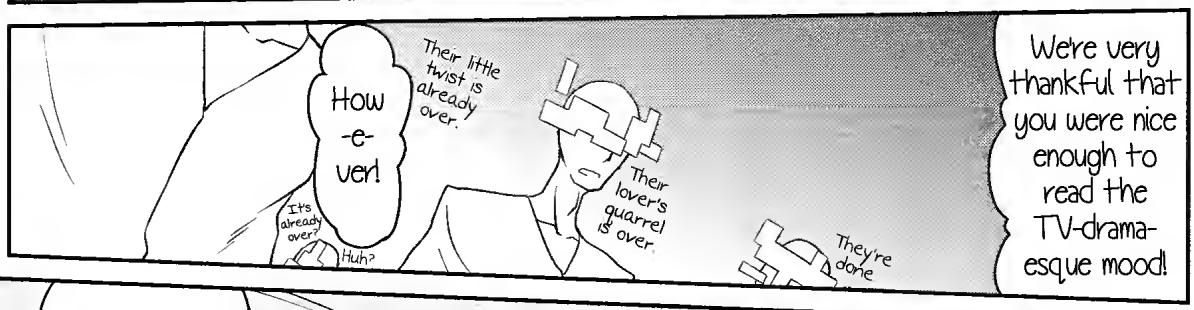
だんっ!
Phew, that was close. Just a little slower and this could have been a pretty bad day...!
Quiet!
Jeez! That was so dangerous! Be more careful!
No way!
I'll fight too!
Let me out!
Kyou-ko!
But... there sure are a lot of them today. It might be too much for you to handle...!
Shut up!!!
Kyou-ko!
Hey! Kyou-ko!
Any-thing's better than putting you in danger!
but Kyouko, there are too many enemies here for you to beat by your-self.
No means no!
You're only here as a weapon, you can't even fight well in your Magical Girl form!
That may be so
After yesterday's battle your Soul Gem was really cloudy, Sayaka! I don't want you cutting it any closer!

WHO ARE YOU CALLING A RETARD ?!?!?!
LISTEN TO ME YOU RETARD !!!!
Kyouko-chan, so cute.
Kyouko... are you listening...?
She yelled...
She barked...
She barked.
GRRRR...
She's mad...
So whether we get tainted... whether we face danger or whether we're having fun... I'm okay with it!!
You promised that when we fell, we'd fall "together", didn't you?
Well, if you die in process then I'll be left here without you, and I'll instantly succumb to despair.
but protecting me is your biggest priority, right?
You might be okay with things ending like this,
.....
Sa-ya-ka...
...I mean... we're best friends, aren't we?!
Be-cause I... I love...
You pro-tect me.
And I'll pro-tect you!

...I understand what you're trying to say.
But...
I'm not buying it!
Why ?!?!
You block-head!
'Cus, um...
...W-...
We're not...
just
friends ...!
W....!
W-w-w-w-...
WE'RE ... lovers!
I... I don't want to hear you say... anything else... got it?
P-
Pfff!

Pfft!
Ah ha ha ha ha
D-
Don't laugh!
S-Sorry, sorry!
...I finally got the courage up to say it and now you're laughing again...
But,
Hph!
it was so sudden.
And embarrassing.
And innocent.
And awkward...
that I had to laugh to hide my own feelings...
...You know?
Oh my? Cheer up, okay~? Kyouko-chaaa aan?♡
Once you do...
we can continue what we were doing as lovers before ...♡
...'Kay? ♡
...I wanna do it... ♡
I said I was sorry, so let's hurry up and get home already♡

By the way, sorry to keep you all waiting, Demons!
Ah ha haaa♡
Let's finish this in three seconds flat!!!
Right!



How -e- ver!
Their little twist is already over.
Their lover's quarrel is over.
It's already over?
Huh?
They're done
We're very thankful that you were nice enough to read the TV-drama-esque mood!

This needs to be finished up right away!
Lady's orders!
Unfor- tunately!

どきどき
Why exactly are we still wearing all our clothes... after a 15 whole minutes...?
ドキ
ドキ

...And as soon as we got home, we ended up in this situation, but...
You really... are a huge scaredy-cat, aren't you?
Heh heh
Wh...
Who are you calling a scaredy-cat!? I'll s- s- s- s- show you!
You've just been staring at me this whole time, y'know?
